

Stop incorrect dental claims

✓ **What did the dentist do? Are the correct codes on your claim?**

✓ **Check-up**

8101

Go to your dentist at least once a year for a check-up.

- ✓ *Who went to the dentist?*
- ✓ *What was the date?*

✓ **Cleaning**

8159

Ask your dentist to explain what they are doing.

- ✓ *Special cleaning is called scaling and polishing.*

✓ **X-rays**

8107 / 8112

The dentist takes X-rays of your mouth to see if there are any holes in your teeth.

✓ **Fillings**

8341 – 8344 (silver fillings)
8351 – 8354 (white fillings)

The dentist fixes holes in your teeth with fillings.

- ✓ *Did the dentist use silver fillings or white fillings?*
- ✓ *How many teeth were fixed?*

If the claim is wrong, tell us about it.
